GENERAL INFORMATION

RESERVATIONS

Seats aboard all Shawnee Airlines flights may be reserved through your travel agent, through any other originating air carrier, or directly through Shawnee Airlines Central Reservations. In greater Orlando, the Shawnee reservations number is 841-6141. Anywhere else in Florida, use the toll-free reservations line: Area Code 800 432-2701.

TICKETING & CHECK-IN

Passengers with tickets should check-in at the Shawnee service counter 20 minutes prior to departure time. Passengers with reservations who intend to purchase tickets at the airport should allow at least 30 minutes prior to departure time for processing and check-in. If you hold a reservation and change your plans, Shawnee asks that you notify them as soon as possible of your intention to cancel — your fellow passengers will appreciate the courtesy. Out-of-state passengers may obtain Shawnee tickets as part of their original travel ticket package from the originating airline.

BAGGAGE ALLOWANCE

Shawnee Airlines must limit baggage to 40 lbs. per passenger. If your personal baggage exceeds this weight limitation, please contact your Shawnee reservations or service agent at your earliest possible convenience. He will advise you on special overweight baggage procedures.

AIR CARGO

More and more Florida businessmen are discovering the efficiency and speedy delivery advantages of shipping cargo via Shawnee Airlines. To learn whether your cargo complies with federal air shipment regulations, and to get full information on schedules and rates, call the Shawnee Airlines **air freight agent** at the airport nearest you.

Shawnee's Charter Service is available on request, to take you anywhere in the United States and the Bahamas. A charter flight will carry a party of 15 (maximum) and will depart from the airport nearest your home. It's a great idea for clubs, conventions, meetings and people who like to go places just for fun. For further information, call Shawnee Airlines in Orlando at (305) 841-7471.
